

“My Baby is 25, and she competes in reining for older riders and horses. She continues weekly treatments, and she and I are very happy with the results.”

- Didi Engler

THE SPOILED — PONY —

Promoting Horse Health
(and dog health, too!)

“I had been searching for something that would help my 28-year old gelding feel better and help with his lameness. The PEMF blanket is my answer!”

- Kelly Trump

Helping ALL horses relax, recover and rejuvenate

• Performance • Trail • Pleasure • Sport
